PETITION

I am writing to express my support of Mei Xing Lin and Liang Qiu Chen (aka Joe), who are facing removal proceedings by the department of Homeland Security. They are both extremely valuable members of our West Brooklyn community — they are the parents of 3 U.S.-born children, active member of the Lutheran Church, and an important source of help and support for many in our community. The attempt to deport them has already brought hardship to their family and concern to our community. I believe their removal would be an alarming violation of the principles of family unity. In signing this petition, we voice our support for their family and ask that they be granted discretionary relief so that they may remain in the United States with those who love them.

PETICIÓN

Te escribo esta carta para mostrar mi apoyo para Mei Xing Lin y Liang Qiu Chen, que estan enfrentando accion de deportacion por el Departamento de Homeland Security. Los dos son miembros extremadamente importantes de nuestra comunidad de Brooklyn Oeste. Son padres de tres ninos ciudadanos, miembros activos de La Iglesia Luterana el Buen Pastor y respaldo para muchos en nuestra comunidad. El intento de deportarlos ha causado dificultades a su familia y afecta a nuestra comunidad. Creo que su deportacion sera una violacion alarmante de los principios de la unidad familiar.
